COUNTRY'S ALL-TIME SEXIEST CONTINUED

2000s SEXIEST

Drop-dead-gorgeous supermodel Heidi Klum and Ric Pipino got a divorce, and **Keith Urban** described such a boneheaded move perfectly with his hit "Stupid Boy." Meanwhile, as public displays of the Ten Commandments were under attack by various groups all across America, **Carrie Underwood** was saying, "Jesus, Take the Wheel."

2010s SEXIEST

Since this time period has yet to arrive, here're our predictions of what may take place.... It's been 30 years since ET first said, "Phone home," and now in this new decade **Blake Shelton** has yet another No. 1 with "home" in the title—"Home Sweet Home" from his *Startin' Fires* album. Meanwhile, on the 205th anniversary of the publication of "Twinkle, Twinkle, Little Star," **Julianne Hough**, who gained fame on *Dancing With the Stars*, is inspired to write a children's book called *Dancing Stars*.
