RHOBH'S LISA FIGHTING WITH HER DAUGHTER OVER THEIR NAME

What's in a name? Everything, if you ask *The Real Housewives of Beverly Hills'* Lisa Rinna. She's furious that her and Harry Hamlin's model daughter, Delilah Belle Hamlin, 18, wants to drop her famous surname now that she's signed on with Elite Model Management.

Lisa, 53, "hit the roof when her daughter told her she thought it would be cooler to just go by 'Delilah Belle,'" says a source. "She told her, 'The Hamlin name is what got your foot in the door,'" and pointed out that the odds of making it as a model would be slim if she hadn't been born into a famous family. So is Harry, 64, on Team Lisa or Team Delilah? "He kept quiet about it," the source says, "but he was proud of Lisa for standing her ground — and standing by his name."

GWEN'S HAIR COSTS HER \$3K A MONTH!

It isn't easy, or cheap, being Gwen Stefani. The natural brunette spares no expense when it comes to keeping her tresses bleached blond. "She spends \$3,000 a month on her hair coloring alone," reveals an insider. While many don't shell out that much for their monthly mortgage, Gwen, 46, doesn't mind the cost. "She will never, ever let her roots go dark," the insider says. Not even if her beau, Blake Shelton, 40, asks nicely. "He's noticed how time-consuming and expensive Gwen's hair care is," the insider notes, "and he's asked her to consider going back to brunette." But no dice so far. "Gwen says the platinum hair is part of her identity, and she won't change it."

"Blake has seen old pictures of her with dark hair and likes the look," says an insider.

Gwen and Blake's GOOD PR PROPOSAL

Blake Shelton and Gwen Stefani had planned to announce their engagement this fall, but now Gwen's suggested doing it ASAP, an insider says. One reason: to deflect attention from the scandal that erupted after some of Blake's old tweets recently surfaced, which led fans to label him as racist, homophobic and misogynistic. Blake waited days but then apologized. *The Voice* even persuaded some media websites to take down stories about the tweets in exchange for access. The timing of the engagement announcement keeps changing, but the insider says it is going to happen and happen soon. As *Life & Style* previously reported, Blake, 40 and Gwen, 46, are planning a wedding at his Oklahoma ranch around Christmas. They're finalizing the guest list, a source says, which includes the *Voice* judges.

Mariah's OBSESSED WITH HER BIG DAY

She's supposed to be working on her upcoming E! reality show, *Mariah's World*, but Mariah Carey is too excited to think of anything other than her marriage to billionaire James Packer, 48. "When she isn't performing, all Mariah talks about is her wedding," a source tells *Life & Style*. "You ask about her show and she talks about the wedding." There's a lot to talk about: The singer, 47, wants to rent out the entire island of Ambergris Caye in Belize, the source says, and plans to bring in a Victorian dance troupe to perform with a classical band at her nuptials.

"We would like for it not to be a big thing, but the reality is it has to be," Mariah says of her upcoming wedding.
