on our cover

Style goddess Gwen Stefani arrived at our Los Angeles shoot looking effortlessly glam—and every bit the SoCal punk-rock pinup (Vans sneakers, cropped bomber jacket, slouchy trousers, platinum hair casually tucked under a leopard fedora). She hung out and chatted for a bit, then got down to work, striking poses in a fiery red halter and low-slung gauchero jeans (both from her new L.A.M.B. clothing line). If you can't get enough of Stefani, count the days to December—that's when she'll make her big-screen debut as Jean Harlow in Martin Scorsese's Howard Hughes biopic, *The Aviator*.

ON THE COVER Gwen Stefani. Fashion editor, Andrea Linett. Hair, Danilo for Flawless at the Wall Group. Makeup, Mathu Anderson represented by Margaret Maldonado Agency. Manicure, Marsha Bialo for artistsbytimothypriano.com/opi
