HEY, LOOK AT US!

Some celeb couples play their cards close to the vest; not so with Gwen and Blake. Ever since they got together, they've been all about the PDA, whether at a football game, on Instagram, on the set of *The Voice* or anywhere else!

GWEN & BLAKE

Wedding & Twins!

TOGETHER FOR LESS THAN HALF A YEAR, **GWEN STEFANI** AND **BLAKE SHELTON** AREN'T WASTING ANY TIME. NOT ONLY IS SHE PREGNANT — AND, THEY'VE JUST LEARNED, EXPECTING TWINS! — THEY'RE PLANNING TO MARRY AS SOON AS POSSIBLE

So much for taking things slowly: **Gwen Stefani** and **Blake Shelton** — who stunned fans when they went public with their romance mere weeks after splitting from their respective spouses last summer — seem to be moving at warp speed.

They've flaunted their affection on social media and on their NBC show, *The Voice*, taken multiple trips together and even met each other's families. Now, a source says, they're planning to marry... and they're doing it soon! Why the rush? "The buzz in their inner circle," the source says, "is that she's pregnant with twins!"

"It's a little unexpected," the source says — though of course, multiples often are. "But it couldn't be more welcome," not least because Gwen's

relatively advanced age, 46, means that this is probably her last shot to expand her brood. (Of course Blake, at 39, is no spring chicken either.) "It's pretty overwhelming, to be sure," the source says, "but given that they both adore children, and that neither of them is getting any younger, they're up for the challenge. In a way, it's actually the perfect scenario."

BEER AND BARBECUE

Gwen grew up a good Catholic girl, so despite her divorce being just months behind her, she wants to tie the knot with her new love before they welcome babies. And old-school Blake, it seems, is more than happy to oblige. Accordingly, the loved-up pair are planning an April wedding on the grounds of Blake's Oklahoma estate —

A little bit country? Gwen bonded with Kelly Clarkson at their mutual friend's wedding.

THEY'RE NEXT!

Many women in Gwen's situation (recently divorced, famous and in a high-profile new relationship) would gracefully refrain from taking part in the bouquet toss. But when she and Blake attended a pal's wedding in Nashville on Jan. 9, Gwen was only too happy to scoop that sucker up. Not only did she grab it when it bounced off Blake, she was seen clutching it the next day (far right), in what appears to be a message to the world that she and Blake will indeed be the next pair to say "I Do!"

BOYS' CLUB

Because Gwen already has three sons (**Kingston**, 9, **Zuma**, 7, and **Apollo**, 1) she'd love for one of the twins to be a girl. But the source says Blake is hoping for more boys, noting, "He's always wanted a son to share his love of the outdoors and hunting." Gwen has joked that her kids are "out of control" and Blake is a "glutton for punishment," the source says, but truthfully, they're both happy either way. "They just want healthy kids."

Blake joined Gwen and her youngest son, Apollo, on a recent lunch date.

THEY'RE COMPLETELY IN LOVE, SO THEY'RE SEEING THIS AS THE ULTIMATE ADVENTURE" — A SOURCE

country-style. "It's a tranquil setting," the source says, "though they want to give the event a lively, down-home flair — more beer and barbecue than champagne and caviar."

The low-key affair will be a stark contrast to Gwen's first nuptials, to rocker **Gavin Rossdale**, 50 — which, as some fans may remember, included fancy receptions in both Los Angeles and London, with Gwen wearing a gorgeously over-the-top dip-dyed wedding dress made exclusively for her by Dior's then-designer **John Galliano**. This time around, they plan to do the deed in a purpose-built gazebo, overlooking a lake on Blake's property. The peaceful setting and relaxed dress code will actually make it more akin to *his* previous wedding, to country singer **Miranda Lambert**, 32 — at which he wore jeans and she wore cowboy boots. But the source says that Gwen will still put her own stylish stamp on things.

WHERE THE STARS ALIGN

Naturally, low-key means something very different to these two stars than it does to most people. So even though they plan to keep things casual and intimate, inviting only close friends and family, the guest list will still be packed with

celebrities, including, the source says, their *Voice* costars **Adam Levine** and **Pharrell Williams**, as well as pals like **Jennifer Lopez**, **Nicole Richie**, **Taylor Swift**, **Kelly Clarkson** and **Carrie Underwood**!

FAMILY FIRST

After the wedding, the source says, the couple plan to spend an increasing amount of time at Blake's country

place, where Gwen can relax away from the watchful eye of the paparazzi and focus on taking care of herself through her pregnancy. "There's no Starbucks," the source reports, "but the last time they were there, Blake took Gwen to his favorite diner, and she loved it."

"They've both seen how the temptations of Hollywood can destroy a marriage," the source continues, "and they're willing to do whatever it takes to make sure that it doesn't happen to them. They're even considering taking a break from their careers and moving all of the kids to Oklahoma full time."

And despite those past marital troubles, they're so confident their love will last, they're forgoing a pre-nup. "They're very optimistic about the future," the source says. "They know they're moving fast, but it's an incredible time for them. Nothing can burst their bubble." **OK!**

EX MARKS THE SPOT

A source says that Miranda Lambert was "shaken" when she heard that her ex would soon be reproducing with his (very) new woman, but she's done her best to put on a brave face. Case in point: Her recent decision to follow Gwen on Twitter, a power move that's certainly open to interpretation. (Is she keeping her friends close, or her enemies closer? Either way, Gwen didn't reciprocate: She ain't no follow-back girl, it seems.) She's also been posting pics of herself with new boyfriend **Anderson East**, a 27-year-old singer, to show she's happily moved on.

Gwen liked an Instagram post about the fur coat Miranda's grandmother gave her.

Miranda captioned this cute pic of herself with new boyfriend Anderson. "The snuggle is real."
