GWEN &
BLAKE'S

Miracle BABY!

Gwen tried to camouflage with a busy dress, but keen eyes spied a bump on April 30.

THEY THOUGHT IT WAS MISSION IMPOSSIBLE, BUT SOURCES SAY **GWEN STEFANI** AND **BLAKE SHELTON** ARE EXPECTING A LITTLE GIRL

On May 9, **Gwen Stefani** and **Blake Shelton** seemed pleased as punch to be premiering their brand-new single, “Go Ahead and Break My Heart,” on *The Voice*. And no wonder: Not only is the set of the popular singing competition a romantic spot for the couple — where they first bonded over their simultaneous splits — but the song itself, a superpersonal country-tinged duet that they wrote last fall (right around the time they were falling in love) is a months-in-the-making labor of love that they’re

excited to finally share with the world. Blake has said that at first, “We were at a point where it’s like, ‘Do we want to go there? What will people think?’ And then we finally just got to the point where it’s like, ‘You know what? I don’t [care].’ The fact that we wrote it together is so important to us.”

A LIFE FULL OF SURPRISES

According to a source close to the pair, it won’t be their last joint project, by a long shot: Although they’ve been keeping it very hush-hush, buzz in their circle is that Gwen, 46, is several months pregnant with a little girl! “Supposedly they weren’t doing anything to prevent a pregnancy,” the

“THIS IS SOMETHING
THEY BOTH WANTED,
BUT THEY FEARED
THAT SHIP HAD
SAILED” — A SOURCE

On an April 23 outing in L.A., Blake pushed a grocery cart...

...and received a loving cuddle from his lady as thanks for his efforts!

...bonded with Gwen's middle son Zuma...

ON DADDY DUTY ALREADY!

When the *Voice* coach appeared on **Ellen DeGeneres'** talk show in 2014, Blake told the host that parenthood wasn't on his agenda. "Do it, do it, do it!" urged Gwen from beside him on the couch. How times have changed!

These days, he looks like a natural — with her kids, no less — always happy to run errands or do school drop-off. "When she compliments the way he takes care of her kids, he gets a real buzz," the source says.

source reveals. "It was something they'd both welcome, but they assumed that ship had sailed."

Especially because the pop star has had trouble getting pregnant in the past. When her sons **Kingston**, 9, and **Zuma**, 7, were much younger, she and ex-husband **Gavin Rossdale** tried to conceive a third and failed, finally resigning themselves to the idea that their family was complete with two. "I really, really, really wanted [a baby] about two years ago," she said in 2012, "and it didn't really work out." Until it did: Little **Apollo** came along a couple of years later (after a bout of intense prayer on Kingston's part, she's said). "Gwen felt like she was pushing it because of her age even back then," the source adds, "so now that she's a few years farther down the line, she's stunned by the idea of a baby!"

HIGH-STYLE HAND-ME-DOWNS?

Gwen's sons are stylish for sure. But she's still thrilled about the prospect of having a mini-me who might one day walk in her platform shoes!

This 1998 look had it all: blue hair, a bikini top!

A year later, pink was the hair hue of choice, paired with a bold skirt and dramatic long coat.

By 2004, she'd completely changed up her vibe.

IN THEIR OWN WORDS

THE FRIENDS TURNED LOVEBIRDS CAN'T STOP GUSHING ABOUT EACH OTHER

A few months before they went public:

"He's such a fun, funny guy. I love being around him."

On-air to radio host Ryan Seacrest, who asked about Blake in November, shortly after they got caught:

"I think he's hot, don't you?"

On how the romance eased the pain of divorce:

"I didn't see [it] coming! All of a sudden, I got saved."

Via Twitter, before she took the stage at the American Music Awards in November:

"Prepare for greatness."

Asked which Voice coach he'd choose were he a contestant:

"Gwen. I mean, have you seen her?"

Asked which coach he'd want to be for a day:

"Gwen... just so I could stand in front of a mirror naked."

She became a veritable fashion plate when she released her solo debut.

Of late, she's returned to her pants-loving, abs-baring roots.

BABY COMES FIRST

So will Gwen be a pregnant bride? Blake, 39, can be a bit traditional — not exactly the type to have a baby out of wedlock. But the source says he feels no need to rush down the aisle; they're already so committed to each other, and a baby cements that bond. After he had a heart-to-heart with Gwen, the source says, she agreed they should put their nuptials on hold.

After all, they've got plenty to do to prepare for a child, rumored to be arriving in early October, right around Gwen's 47th birthday (Oct. 3)! For one thing, they'll need to consolidate their households: They plan to divide their time, the source reports, between Gwen's L.A. home and Blake's country spread in Oklahoma. "They've agreed that Oklahoma is an amazing place to bring up children," the source says. "It's such a far cry from the craziness of Hollywood, and when Gwen's taken her boys there to visit, they've

really thrived in that environment."

Happily, Blake's already crossed one looming task off his dad-to-be to-do list: notifying ex-wife **Miranda Lambert** of the news. "He and Gwen want to keep this kind of news under wraps as long as possible," the source says. "But because of his long history with Miranda — they were together for almost 10 years — he'd never want her to find out from somebody else." (Word is Gwen's told Gavin, too, the source says, although with less concern about how he might react.)

"Sounds like it's still early days," the source says, "but as the bump grows, they won't be able to keep it quiet for much longer." So while they're containing their baby joy for now, this demonstrative pair must be bursting at the seams to share it with their friends and fans. "They were already like a couple of giddy teens," the source says. "Now, they're even deeper in love."
