No. 1 **Blake Shelton, *If I'm Honest***
MUSIC COUNTRY

With nine albums under his belt, Shelton has a canon of rollicking redneck anthems and twangy party-starters. But in the past year he and Miranda Lambert split, and he began dating Gwen Stefani (who addressed their romance in *This Is What the Truth Feels Like*). On this

revealing new set, there are recriminations (“She put the ‘her’ in hurt,” he seethes on “She’s Got a Way with Words”) and—you know you want it, be honest—“Go Ahead and Break My Heart,” a melting, melodic duet with Stefani.

U.S. MEN'S
GYMNASTICS TEAM

"We have this chemistry with each other that no other team has," says Donnell Whittenburg of his fellow Olympic hopefuls (from left: Whittenburg, Jake Dalton, Sam Mikulak, Alex Naddour, Danell Leyva, Paul Ruggeri and John Orozco). "We just have a glue that binds us together—a brotherly bond."

GADOT

To play the role of Wonder Woman, the 31-year-old embraced intense early-morning workouts and martial arts. (That should be no sweat for the Israeli Army vet.) As for her diet, "I look at food as fuel, and I want to give the best to my body," she said.

GWEN
STEFANI

New love looks good on the singer, 46, who split from Gavin Rossdale last year and then found happiness with fellow *Voice* star Blake Shelton. "I don't think it's an accident that that happened," she said. "It saved me."

THE VOICE COACH, 39, GETS PERSONAL ON HIS NEW ALBUM *IF I'M HONEST*

Last gift I gave

I sent Carson Daly a Traeger grill, 'cause he's like me, and he likes to cook steaks and briskets. I don't think he knew who sent it for a long time.

Last home improvement

I added on a carport to my hunting lodge. It was gross and muddy before, but now I've got this nice concrete driveway. I feel like I've finally made it.

Last sunrise

I don't like to just wake up and look at it, but it's been turkey season in Oklahoma. Half the month of April, I was catching the sunrise every morning.

Last time I went black tie

Some friends got married in January, so I rented a tux. If you get dressed up, it should be fitted, but then it's hard for me to disguise man boobs and gut. It's all sticking out!

Last time I was injured

This goes back 20 years, but I couldn't figure out a Rubik's Cube, so I threw it and jumped up in the air to stomp on it to be funny. My knee hyperextended, and I hit the ground. It was the stupidest injury in the history of mankind. Don't f--- with the Rubik's Cube, let me tell you.
