

“They’re really competitive with each other,” says host Carson Daly. *The Voice* airs Mondays and Tuesdays at 8 p.m. on NBC.

THE VOICE CHANGING THE GANG

Jennifer, earlier this year your team won on the U.K. version of *The Voice*. Do you feel like the new kid here?

JENNIFER HUDSON Yes, when I have to keep up with all of these personalities! It takes a while to get used to the rhythm of things, especially when it’s old people like this who have been on the show since the beginning of time.

BLAKE SHELTON

She means old like “old boy,” not *old* old. I go out of my way to give her a hard time. It’s my new passion.

ADAM LEVINE She’s mellow and lays in the cut. Alicia [Keys] came at me.

Who surprised you the most?

HUDSON Miley. She’s so young yet experienced and knows what she’s talking about. She never stops and

tells me to go harder.

MILEY CYRUS We have different tactics. I very much speak from the heart and my pitches are emotional, but something Jennifer has on all of us is [her *American Idol*] background.

Which of your songs would you be happy to retire?

CYRUS “Wrecking Ball.” Ew.

SHELTON I’m gonna say “Hillbilly Bone” because

sometimes with kids at a concert, it’s uncomfortable.

LEVINE I’ll tell you a song I don’t want to sing. “Love Somebody” is so high. I need to take it down a half step.

HUDSON If it didn’t pay my bills, I’d say “And I Am Telling You I’m Not Going.” My son [David, 8] is like, “She’s singing that song again.” But it’s all people want to hear!

MY MORNING ROUTINE WITH DEBBIE GIBSON

THE ‘80S POP STAR AND *DWTS* CONTESTANT, 47, ON HOW SHE STARTS THE DAY OFF RIGHT.

5:00 a.m.

RISE AND SHINE!

I’m an early bird! When I’m home in Vegas, I grab Joey, my puppy, around 5 a.m. We lie on the daybed [outside] for some extra z’s as the sun comes up.

7:00 a.m.

GET MOVING!

After we get up, I take Joey for a walk, or I swim laps in my pool. Gotta get my exercise!

9:00 a.m.

BIG BREAKFAST

I’m starving when I wake up, so I make bacon, eggs and fruit. I may have sourdough toast with butter. It’s my fave. And no yeast!

10:00 a.m.

KELLY AND RYAN

I love morning TV. I went on a double date with Kelly and Mark years ago, and Ryan has interviewed me many times. They put me in a good mood! —STEVE HELLING
