**SEXIEST AGELESS WONDER**

Although the *Grinder* star recently launched a men's skin-care line, he says, "The truth is that it comes from the inside—from your spirit and being engaged, excited, excitable. That's what makes you seem young."

**MORRIS CHESTNUT, 46**  
**SEXIEST LADIES' MAN**

He's made a career of going shirtless, and Taraji P. Henson called him "Dark Gable. He's got it all." But the married star of the new series *Rosewood* wouldn't mind a little less exposure. "I want to eat some donuts every now and again," he says, "or some waffles!"

**BLAKE SHELTON, 39**  
**SEXIEST COACH**

He's not only the winningest coach on *The Voice*, he's teaching new girlfriend Gwen Stefani that there is more to life than the city. "Oklahoma is sexy because it's full of wide open spaces," says Shelton. "There are areas where I live that there is no one around for miles and miles. That can make for some sexiness."
