

SHE CAN'T EVEN!

Gwen appeared to be throwing shade at her ex-husband as she attended their son's basketball game on May 18.

Gwen & Gavin's

BAD BLOOD

THE AWKWARD BODY LANGUAGE SAYS IT ALL AS THE EXES MAKE A RARE POST-DIVORCE APPEARANCE TOGETHER.

GWEN Stefani spent 20 years in love with ex Gavin Rossdale, but now it appears the megastar can barely stand to be near him. The rift was painfully obvious when the pair were seen together attending their 9-year-old son Kingston's basketball game in L.A. on May 18.

"Gwen didn't want to be there," says an onlooker. "I felt most bad for Kingston—he seemed excited to have his parents there, but she had a miserable attitude."

Who can blame Gwen? The singer, 46, left Gavin, 50, in August 2015 after 13 years of marriage, reportedly when she found out the former Bush frontman was having a three-year affair with the couple's nanny, even while Gwen was pregnant with Apollo, now 2. (Gwen and Gavin are also parents to Zuma, 7).

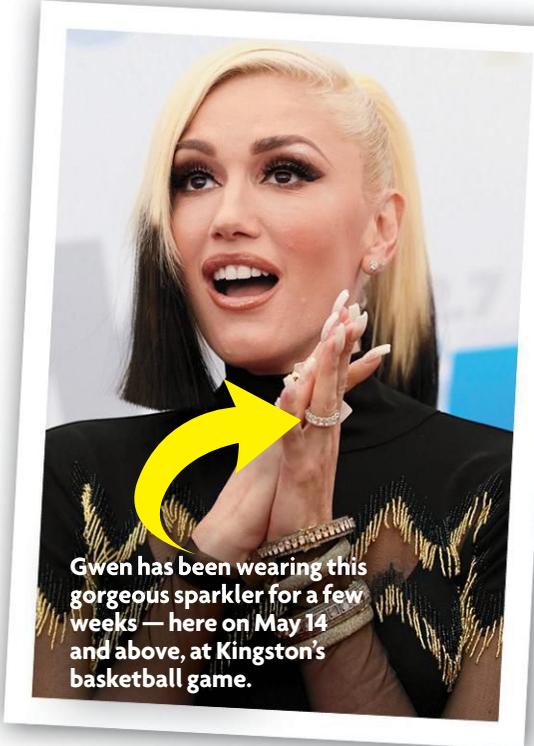

Hollywood's favorite new divorce trend may be amicable "conscious uncoupling" (popularized by Gwyneth Paltrow, 43, and ex Chris Martin, 39) but whatever

the acrimonious opposite of that is, "that's what Gwen and Gavin have," says the pal. "They need to coparent, but Gwen is still furious over how things ended. She isn't the type who can play nice, but hopefully for the sake of the kids, she'll eventually be cordial."

For his part, Gavin seemed happy to be with his ex. When an onlooker commented that it was nice to see them together, Gavin smiled, "Yeah, I know."

Still, Gwen has moved on. At the game, she was wearing a diamond ring that she's been sporting for the past few weeks, sparking rumors she's engaged to Blake Shelton.

"Blake surprised Gwen with it," says the source. "It's more of a promise ring. They want to get married and have been looking at engagement rings, but he just wanted to get her something special sooner to show his feelings. It's a matter of time before she's sporting a big rock on that finger. They're so in love." ★

Gwen has been wearing this gorgeous sparkler for a few weeks — here on May 14 and above, at Kingston's basketball game.
