

Blake

Slim, Single & Ready To Mingle!

Divorce is doing a body good for **Blake Shelton**, and he's ready to show off his new bachelor physique in the wake of the drama surrounding his recent divorce from his wife of four years, fellow country star **Miranda Lambert**. "I'm not eating as many fried pickles and stuff. I'm doing great. I am," says the *Voice* coach. And it shows! *Star*'s weight-loss expert Alicia Hunter, author of *The Accidental Diet: From Fugly to Fox*, estimates that the 6'5" "Honeybee" crooner has lost 50 lbs! But for Blake, looking good isn't just about revenge. "At this point, he's on a mission to find his next wife and finally have babies," dishes a music insider. "He's been eating superhealthy and working out, and he feels like a new man." Sounds like boys' round here are ready to move on! ★

RUMER DIVA OF CHICAGO!

From **Liza Minnelli** to **Renée Zellweger**, some of the biggest names in Hollywood have played Roxie Hart in the Broadway musical *Chicago*, but few have taken the stage with as much hubris as **Rumer Willis**! "Rumer is a total diva. She insisted on having a whole team — they're not allowed to work with anyone else on the cast, which is really unusual on Broadway," dishes a backstage insider close to the 27-year-old *Dancing with the Stars* winner. "But despite having someone for her wigs and her makeup, she's always whining: Her dressing room is too small, her clothes aren't perfect — you name it, she hates it." And the rest of the cast is no exception. "Rumer is really unfriendly and isolates herself," snipes the Broadway veteran, adding that Rumer's positive reviews have only bolstered her already inflated ego. "Her whole attitude is ridiculous. It's actually a shame, because half the fun of doing a play is becoming close with the cast and crew. Really, it's her loss." ★

SILENT TREATMENT FROM KALEY'S EXES

Even in the face of reports that his alcohol and prescription pill abuse destroyed their brief marriage, **Ryan Sweeting** (left) has had nothing public to say about **Kaley Cuoco** or their relationship since the Sept. 25 announcement of their breakup.

And that's not surprising, as it seems *all* her ex-lovers zip their lips after their quickie romances with the actress have fizzle out. Her former fiancé, rocker turned photographer **Josh Resnick** (with Kaley in 2011, right), whose five-month engagement to the *Big Bang Theory* beauty ended in March 2012, has never given an interview about their time together. And when contacted by *Star* and asked for his thoughts about Kaley and Ryan's split, Josh would say only that "Kaley is an amazing woman. We haven't talked for a long time." As for the reason behind their own breakup three years ago, he remained mum: "I will not tell you why we ended our engagement — that's personal." ★

GWEN & DEMI Bonding Over Heartbreak

Newly single **Gwen Stefani** has found a breakup mentor in fellow divorcée **Demi Moore**! The unlikely new BFFs had an intense tête-à-tête during a party at **Tobey Maguire**'s home on Sept. 27.

"Gwen spent the whole time on a couch, spilling her guts to Demi about her split from **Gavin [Rossdale]**," said a partygoer. "She never thought she'd get divorced, so she was asking Demi how she handled things and what she told her children."

But Demi didn't seem to mind playing therapist for her pal, adds the witness: "She told Gwen that since she's been through two painful and public breakups, she's around if Gwen needs a shoulder — and even invited her to a yoga class." As her split from Gavin gets messier, no doubt Gwen will be taking her up on the offer! ★

Justin JONESING TO HOST THE OSCARS

Justin Timberlake wants to bring sexy back to the Academy Awards! The pop star has been lying low since the April birth of his son, Silas, but he's keen to make a comeback by hosting the 2016 Oscars.

"Justin is campaigning hard with producers and is billing himself as the total package," reports an industry spy, adding that the *NSYNC alum has experience hosting the ESPYs in 2008. "He's playing up the fact that he's a singer, dancer and actor. Plus he bridges the gap between old and young."

And forget about any stage fright! "Justin says he's not scared that so many hosts, like **Neil Patrick Harris**, ended up bombing," adds the insider.

"Producers are starting to agree that his confidence may just be the magic touch." ★

Night Nannies

TELL ALL!

CARING FOR SPOILED BOYS AND GIRLS AFTER SUNDOWN CAN BE EXHAUSTING — AND THAT DOESN'T EVEN INCLUDE BABYSITTING THEIR KIDS!

KANYE WEST

They say you can't put a price on a good night's sleep — and the self-proclaimed genius rapper agrees! To make sure that he caught enough shut-eye during the early days of fatherhood, Kanye shelled out \$2,000 per night for one of Tinseltown's top nannies. "The idea was to keep Kim from becoming stressed when North would wake up crying," dishes a pal. But it seems the pricey paycheck came with a catch: "The amount was vastly reduced if the baby interrupted Kanye's sleep." Guess Yeezus also needs his Zs.

SARAH JESSICA PARKER

Getting kids to fall asleep is no easy feat for any mom. So when the *Sex and the City* star discovered that singing to her 6-year-old twins, Marion and Tabitha, resulted in a one-way ticket to dreamland, the actress made it a part of their nightly routine — even when she's not around to do it. "Her nanny has to sing 'Raindrops Keep Falling on My Head' over and over until they drift off," says a source. "I think it worked once for SJP, and now she's obsessed."

GWEN STEFANI

Even before she reclaimed her single status, the "Hollaback Girl" singer only hired male caregivers. Her reasoning: They look the best in spandex. Well, in spandex costumes, that is. "Batman, Superman, Spider-Man — you name it, I've dressed up as it," reveals one of the singer's former mannies about her superhero-obsessed sons, Kingston, 9, Zuma, 7, and Apollo, 1, who also love getting dressed up as their idols. "She once promised it as a treat for the boys if they behaved and went to sleep, but I ended up doing it every night!"
