

Gwen Stefani

NOMINATED FOR: Hottest Hook ("Hollaback Girl"), Club Banger ("Can I Have It Like That," by Pharrell)

I WISH... "My husband, Gavin, and I could stay together forever and let our love continue to grow. Being married is one of those things that you have to work on every day. We work really hard at it."

IF ONLY... "I didn't have problems with dyslexia. I'm not a big book reader. I have a hard time reading, so it takes a really long time and lots of concentration."
