WEARING SOMEONE'S CLOTHES TO DECLARE YOU'RE DATING

DRAKE GOT CHARMED

Less than 24 hours after they cozied up at his Memorial Day pool party, Drake hung Hailey Baldwin's signature "h" on his neck.

SELENA CHECKS IN WITH AN EX

Yes, Selena Gomez and Justin Bieber were "on" when she stepped out in his shirt in 2011. But they were def "off" in April, when she was snapped in a yellow plaid button-down the Biebs owns too. Hmm!

GWEN CAN'T HIDE HER LOVE

Shortly after Gwen Stefani posted a shot of herself in a decidedly un-glam camo ball cap, Blake Shelton sported the same hat to watch his beloved Arizona Cardinals play.

KATHIE LEE says: "My attitude is: Of course you can wear whatever you want, but do we really want to live in junior high school forever?"

FOR MORE "OK! OR NOT OK!" WITH KATHIE LEE AND HODA, TUNE IN TO THE TODAY SHOW, THURSDAYS AT 10 AM ET ON NBC.

HODA says: "Yes, it's OK. If you want to let people know you're dating, it's a nice subtle way to do it."

Blake bonded quickly with Gwen and Gavin's kids.

Blake & Gavin's PEACE SUMMIT

While typical guy code calls for dudes to throw punches over the woman they love, **Blake Shelton** has another idea: a heart-to-heart. A source close to the *Voice* coach, 40, says he's reaching out to girlfriend **Gwen Stefani's** ex-husband, **Gavin Rossdale**, to request a face-to-face chat to figure out how they can all move forward amicably. "Blake wants Gavin to know that

he's serious about Gwen and the kids but has no intention of replacing him as their dad," reveals the source. "He thinks the best way to hash it out is over a couple of beers." The insider notes that Gwen, 46, is "touched that Blake wants to make such a commitment to her and the boys" and is hopeful that Gavin, 50, will accept the invitation. "She still hasn't forgiven Gavin for destroying their family," the source says. "But she wants to keep her focus on healthy coparenting." No more misery here!

Iggy's PLASTIC PICK-ME-UP

Iggy Azalea has never been ashamed of her affinity for plastic surgery — she's copped to breast and nose jobs and insisted, "More people need to admit that s**t" — but friends are worried that she's about to take it too far. After her breakup with Los Angeles Lakers star **Nick Young**, 31, over "trust issues," the Aussie rapper, 26, "has booked herself with her surgeon for a total refresh," says an insider. "She wants to look so hot it makes Nick second-guess treating her so badly." But her interest in having her face altered, says the source, "is a pretty extreme way to make a point." Sounds painful!

"Iggy has gotten very self-conscious," says a source.

Hilary and Jason have been spotted on numerous outings in recent weeks.

Hilary's Ex RUINING HER GAME

Hilary Duff may be single, but she certainly doesn't seem ready to mingle. A source says that her ex-husband, **Mike Comrie**, is such a hands-on parent to their son, **Luca**, 4, that he's also become "way too involved in Hilary's life. They see each other every day." The source adds that Hilary's closest friends are Mike's friends' wives, "which means he knows what she's up to all the time." Even though Hilary, 28, has been seeing personal trainer **Jason Walsh**, "it's just casual," says a source, "and it's not going to progress if Hilary doesn't set boundaries with Mike."

Hilary looked cozy with Mike in May — three months after divorcing.
